Sir,

Adverting to your docket No. 2442/Muz.34-13 dated 12th April 1916 requesting that a careful and diligent search be made in the office for the missing Sannad granted to the Swami of the Palkurki Matt at Yelahanka by His Highness the late Sri Krishna Raja Wodeyar Bahadur and the result reported to Government, I have the honour to state that the said Sannad is not among the records -- received with the Government Order No. 1074-6/ M.F. 34-13-2 dated the 3rd October 1913.

2. A thorough, careful and diligent search was made by the English Head Clerk in the office records, and the Sannad is not traceable.

3. From the Refer Book maintained in the English Section it is seen that when the above said Government Order and the records were received in this office, the clerk to whom the said papers were referred has made a note in the said book on 6th October 1913 to the following

following effect "only received records and not Sannad".

4. More over along with the order in question only the file of vernacular records was received, as is clearly noted in the said order in red ink at the time of despatch from the Secretariat.

5. Thus it may be seen that the Sannad in question was not returned to this office with the records referred to in the Government Order quoted above.
